Meeting Board of Assessors.

The County Board of Assessors will meet at the County Auditor's office on Tuesday, March 25th, 1902.

Important Meeting.

All the members of Newberry Baptist Church are especially requested to be present next Sunday, if possible, as business of very great importance will probably come before the church.

J. W. Blanton, Pastor.

A Coming Marriage.

Cards have been received in Newberry announcing the coming marriage at Peak, on April 3rd, of Mr. James H. Hope and Miss Maggie Swygert, daughter of Col. J. C. Swygert, of Peak. The marriage will take place in Mr. Hermon church, Peak. Their friends here extend congratulations.

Valuable Horse Brought Home.

Fairview, Newberry County.—On last Friday night while Mr. John Bachman Bodenhag was at the home of Mr. Arson Miller his fine mare which was hitched in the yard unhitched herself and went ten miles to Amek's Ferry, over Saluda River, walking into the river and drowning herself. The horse was discovered in the river hitched to the buggy and reined up just as he had left her. It was a very valuable animal.

J. M. M.

Pardon Granted.

Gov. McSwain has granted a pardon to Ellen Bowers, a negro woman, who was convicted in this county at the July term for 1901, of violating the dispensary law. She was sentenced to serve a term of three months on the county chain-gang or pay a fine of \$100. She was pardoned on a petition of citizens of the community in which she lived. She was convicted last July and on account of having an infant at the time the execution of the sentence was stayed.

Newberry vs. Clinton.

The Newberry College team leaves today for Clinton, where it will play two games with the Presbyterian College of South Carolina at that place. One this afternoon and one tomorrow morning. The team is in good condition and has had a good deal of practice, and we expect them to win two victories before they return.

The Clinton team will come to Newberry on next Friday, the 21st, to play a game that afternoon and one on the morning of the 22nd. The probabilities are that both games will be close and interesting.

College Defeats Newberry.

In a game of ball on the college diamond Tuesday afternoon the college defeated the city nine by a score of 23 to 5. The game was slow, but at times good work was done on both sides. The college team played good ball throughout and reflected credit on the training they have received from Coach Warren. Simpson did some good work in the box and Cabanis behind the bat, and they were well supported by the rest of the team. Riser in centre field made some pretty catches.

For the Newberry team Stuart did some good work.

Hon. McDonald Furman to Lecture.

Hon. McDonald Furman, of Sumter, S. C., will deliver a lecture in the armory to-night at eight o'clock. His lecture will be upon historical subjects and will also include some general remarks on "an ideal and real married life" from a bachelor's point of view. Admission 15 cents for adults and 10 cents for children.

Mr. Furman will also deliver a lecture to the school children this morning.

Mr. Furman is an enthusiastic student of South Carolina history and has done much to preserve it. We feel sure his lecture will be interesting and we hope he will have a full house.

Newberry College and the Expedition.

Our trip will be much more than merely a college visit, for, in addition to the college party, there will be a large number of teachers and pupils from the graded school, besides many of our friends who are not directly connected with either school. We shall go by special train, leaving Newberry Tuesday morning, April 1st, at 8 or 9 o'clock. The fare for the round trip will be \$3.40, if we buy block tickets, in groups of 25 persons or more. Those who go on a block ticket will have to return together; those who do not care to return with the party will have to buy individual tickets, at \$3.90. It is probable that arrangements will be made in the purchase of tickets so that some of the party can remain in Charleston until Saturday, while those who desire to do so can come home Friday. Lodging and breakfast can be secured at 75 cents each for those who belong to the schools, and at very reasonable rates for all. An announcement next week will give the hour at which we shall leave Newberry, and the name of the road by which the party will travel.

REV. ARMSTRONG'S RESIGNATION.

He Will Leave His Pastorate Here April 1st for St. Louis, Mo.—This Done a Good Work—Pleasant Return—Come to be Served.

The resignation of Rev. Dr. Chas. H. Armstrong having been accepted by the joint council of the Newberry charge, he will leave on April 1st for St. Louis, Mo., where he will have his headquarters as one of the field secretaries of the Missouri anti-Saloon League, a work which he had decided to enter when he presented his resignation. Dr. Armstrong took charge of the work in the Newberry pastorate on February 1-1, 1901. One of the churches, Mayer Memorial, had no organized congregation. Dr. Armstrong organized the organization with 25 members on May 1st, 1901, and the membership has now grown to 75. He has also done faithful and efficient work in the other congregations, Beth Eden and Colony, and will leave the pastorate in good condition. There are expressions of regret among the people he has served for two years and a large number of others outside the influence of his own field of labor that such pleasant relations are to be severed. Lutheran Visitor, 13th.

Preliminary Contest.

The preliminary contest at Newberry College to decide upon a representative at the State Oratorical Association in Greenwood on April 18 was held in the college chapel on Wednesday afternoon. Mr. G. C. Merchant was elected as the alternate.

Vagaries of a Cold.

There is but one Painkiller, Perry Davis. 25 and 50 cents.

A Severe Cold For Three Months.

The following letter from A. J. Nussbaum, of Batesville, Ind., tells its own story. "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Refuse substitutes. Glider & Weeks.

A Son of Newberry.

Hon. Eugene S. Bleasde, of Saluda, spent Thursday in our town. Mr. Bleasde has ably represented Saluda County in the Legislature for the past two years. In the fight which Orangeburg County made to cut Lexington's representation from three to two as the apportionment had been made last year, there was not a member on the floor that made a harder fight than did Mr. Bleasde, and his work was effective. We will always feel grateful for his kindly assistance.—Batesburg Advocate, 12th.

DOCK RUFF CAPTURED.

After Three Years Sheriff Buford Captures a Negro for Whom a Sealed Sentence is Awaiting.

The following is taken from the Spartanburg Herald of the 11th inst: Sheriff M. M. Buford, of Newberry county, adopts the policy of keeping everlastingly at it when it comes to capturing a criminal at large, and consequently his labors are attended with satisfactory results. It takes a considerable length of time, and even years roll by, but as in this case, his Javert like perseverance wins out.

Yesterday Sheriff Buford arrived in the city in quest of Dock Ruff, alias Richard Ruff, colored, who over three years ago disappeared from the court room in the Newberry court house, and against whom for that period of time has been pending a sealed sentence for assault and battery with intent to kill.

Ruff's abrupt departure from Newberry made itself a fact of note and interest at the time, especially with the people of his color, and he was considered a kind of prodigy to pry justice in so mild a manner.

Since that date Sheriff Buford has been indefatigable in his efforts to capture the negro. Several times Ruff has been located in Charlotte, Greenville, Atlanta and other cities, but good luck was with him to the extent that he evaded capture.

Having secured information that Ruff was here the Sheriff came up yesterday, and soon had his man well located. An officer of the city police force arrested Ruff and today he will be carried to Newberry by Sheriff Buford.

Ruff behaved himself very well while in Spartanburg, and being energetic and industrious was always at work at the time of his capture he was employed at a leading drug house of the city to do drugging, etc. He assumed the name of Richard Jones during his sojourn in Spartanburg.

Would Smash the Club.

If members of the "Hay Fever Association" would use Dr. King's New Discovery for Consumption, the club would go to pieces, for it always cures this malady,—and Asthma, whooping cough, the doctors—it wholly drives from the system. Thousands of once-hopeless sufferers from Consumption, Pneumonia, Bronchitis owe their lives and health to it. It conquers Grip, Croup, Whooping Cough and is positively guaranteed for all Throat and Lung troubles. 50c, \$1.00. Trial bottles free at all Druggists.

Can't Keep It Secret.

The splendid work of Dr. King's New Life Pills is daily coming to light. No such grand remedy for Liver and Bowel troubles was ever known before. Thousands bless them for curing Constipation, Sick Headache, Biliousness, Jaundice and Indigestion. Try them. 25c. at all druggists.

No Argument is Needed.

To convince anyone who has once tried it of the merit of our "Clifton" brand of flour.

The flour speaks for itself. It tells its own story of absolute purity and careful milling. It speaks in the eloquent language of light, white loaves and biscuits, delicious pastry and tempting cakes. It speaks with such conviction that it brings the user back for more and it always tells the same satisfactory story. Why not learn this story of pure flour by trying "Clifton"? Ask your grocer for it.

If you want a cheaper flour buy our "White Fawn" (half patent) or spotless (straight). They are just as pure, though not so white as "Clifton". Every sack of our flour bears the Anti-Adulteration League's registered drade mark.

Cough Remedy.

Between the hours of eleven o'clock a. m. and closing time at night on Jan. 26th, 1901, A. F. Clark, druggist, Glade Springs, Va., sold twelve bottles of Chamberlain's Cough Remedy. He says, "I never handled a medicine that sold better or gave better satisfaction to my customers." This Remedy has been in general use in Virginia for many years, and the people there are well acquainted with its excellent qualities. Many of them have testified to the remarkable cures which it has effected. When you need a good, reliable medicine for a cough or cold, or attack of the grip, use Chamberlain's Cough Remedy and you are certain to be more than pleased with the quick cure which it affords.
